安斯拉科技有限公司

Ansla Science Technology Co., Limited

安斯拉科技有限公司

Ansla was found as we want to make better quality goods and services for customer, we have very professional team and precision production & inspection equipment.

All of stuffs have over 10years in the metal and plastic product field, They are dedicated and passionate, can provide professional products, manufacturing services, and can quickly respond to any guest's problems....

成立时间： 深圳市安斯拉科技有限公司成立于2019年11月/Found in 2019-11.

厂房面积： 2200平方米/working spacing: 2200SM.

工厂员工： 30人 / workers: 30 people.

工程开发： 10人/Engineering team: 10 people

品质部： 7人/Quality team: 7 people

采购部： 3人/Purchase team: 3 people

生产设备/production equipment:

T650 CNC 16台 (TaiKan)

T850 CNC 4台(TaiKan)

火花机/EDM 1台

磨床/Grinding 2台

铣床/Milling 2台

注塑机/Injection 15台(HaiTian)

Large travel machining center 1台

5-axis machining center 2台

NC lathe and milling machining center 8台

检验设备/Inspection machines: 参考后续的图片

Ansla Science Technology Co., Limited

安斯拉科技有限公司

检验设备/Inspection machines: 参考后续的图片/refer to list in the next pages.

主要产品:

铝制和钢制的汽车零件，医疗零件和产品，机场及地面配套零件，工装夹治具等，主要以定制产品为主。

Main Products:

Auto parts, medical parts/products, products for airport and ground service, also we customize the products per customer's design/requirement.
